

FULL BRIM SOMBRERO

Stay cool and protected with a sombrero that offers full sun coverage around the face and neck

The Full Brim Sombrero was designed with innovative features to provide sun protection for outdoor workers. Its wide brim and neck shade provides excellent coverage against harmful UV rays. Equipped with universal clips, it easily attaches to most Klein Tools Hard Hats. Crafted from high-visibility 1200D fabric, improving worker visibility in outdoor working conditions.

WIDE BRIM PROVIDES FACE & NECK COVERAGE

UNIVERSAL CLIPS

Easily secures to Klein hard hats
