

PRO Drywall Saw

Extra thick blade stock for longer life!

Non-slip, comfort grip handle.

PRO Drywall Saw

Designed with the professional installer in mind, the teeth are precision ground for fast and effortless cutting in both directions, push & pull. The blade is extra thick (1.8mm) to prevent bending and breaking during use, whether cutting, punching or scoring.

- Heavy duty handle designed with a non-slip grip for comfort & safety
- Hardened blade tip designed to score or punch with ease
- Clog free hardened steel blade
- One piece handle & blade design

Application

Ideal for cutting:

- Drywall
- Plywood
- Plaster board
- Wallboard
- Plastic paneling
- Ceiling Tile

Marking/Packaging

- Clam pack only
