Dimensions	**ASME B18.2.1 Fully Threaded**
Material	**Alloy 651, 655, 661 Silicon Bronze**
Mechanical Requirements	**Wedge Tensile Tested in accordance with ASTM F468 to 50,000 psi min.**
Thread Requirements	**ASME B1.1 UNC & UNF Class 2A Thread Acceptance Per 6.5.1.4 of ASTM F788**
Material Test Reports	**Must be lot traceable, must be dimensional results, Chemical, and Mechanical test resulsts to the specs above.**
Product Marking	**Manufacturer ID and Alloy Grade. (651, 655, or 661)**
