| Features               | A clean, non-adhesive solution for electrical connections is made possible with Scotch® Tape 2510. Its fabric backing is made of straight-cut woven cotton cambric fabric for rugged durability and great tensile strength. The fabric is oil-primed and coated with yellow electrical-grade varnish for reliable insulation, and our cambric tape repels moisture, provides excellent dielectric support and is tough against puncture and cut-through forms of breakage. This tape is ASTM Approved and RoHS 2011/65/EU Compl |
| Long Description       | Scotch® Tape 2510 is a 7 mil thick, premium grade varnished cambric tape that's suitable for insulating bus bars, motor leads and service drop connections. The electrical properties of the tape remain stable in a temperature range of 32 to 221 °F (0 to 105 °C).                                                                                                                                                                                                                                                           |
