Descriptions

extra long description	IDEAL 30-644J TWISTER PRO 344 RED T
Features	Twister Wire Connectors have earned a solid reputation as the most technically advanced wire connector available. These
	superior wire connectors are designed from top to bottom with features to provide more comfort and less fatigue to professional
	electricians. With swept wings and an expanding, live-action spring, the Twister supports a wide range of common wiring
	configurations with comfort and ease, even on the toughest
	combinations like solid-to-stranded. The copolymer shell expands for smooth, progres
