Descriptions

Description	TUFF-GRIP PRO FISH TAPE, 240' X 1/8" X .060"
extra long description	IDEAL 31-057 Fish Tape,IDEAL,Blued-
Features	Perfect for longer conduit runs, this fish tape boasts the highest tensile strength, and highest grade carbon steel for professional durability and reliability. The Blued-Steel also provides rust and corrosion resistance for longer life. The Tuff-Grip Pro case and handle are impact resistant, while the unique design keeps the wire inside the case, even after a long fall. Multiple width, length and eyelet options are available for ease of use for any application. Replacement tapes also available.
