Quick-Lok Pro Connectors...

improves job site productivity when installing metal clad, MCI-A (such as Southwire's MCAP™ and MC-PCS) or armored cable to a steel box or enclosure. No tools are needed for installation. Simply insert cable or conduit into the connector and install into knockout. The Quick-Lok Pro family of connectors are removable.

Applications:

- Quick-Lok Pro™ connectors are used to connect armored cable, metal clad cable, MCI-A cable, MC-PCS or flexible metallic conduit to a box or enclosure for dry location applications

- Fits ½" knockout

Single Connector - For installation of one cable into a box or enclosure

Duplex Connector - Allows for installation of two cables in a single KO, into box or enclosure

**90° Connector** - For installation of 90° bend in cable

Old Work Connector - For installing and terminating cable after an old work box has been installed

Features:

- Easy tool-free installation (the single and old work connector can also be removed without tools)

- Integral insulated throat bushing provides protection for wire insulation

- Removable

- Wide range of styles and configurations to meet customer requirements and preferences

- Single unit construction eliminates loose component parts

- Duplex and 90° connector cover opens wide for easy access and wiring

- For use in dry locations/concrete tight when taped

Single Connector Installation:

1 Insert cable into connector.
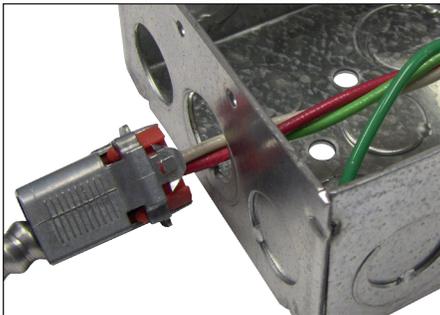

**2** Snap connector into box.
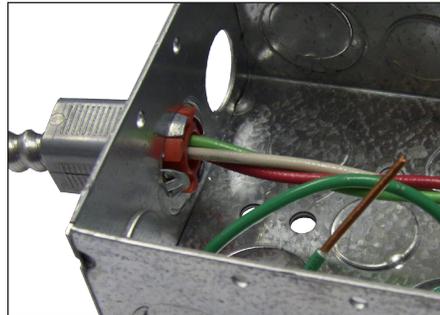

Scan the QR Code to view the Quick-Lok Pro installation videos.

See the complete offering of Quick-Lok Pro connectors at www.crouse-hinds.com

Duplex Connector Installation:

1 Insert cables into the 38MCQD duplex connector.
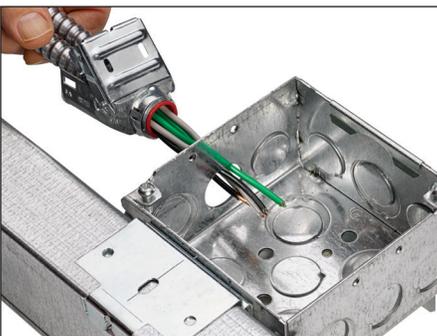

2 Snap connector into box.

3 Close the steel cover to lock the cables securely into place.

Standard Materials:

Body:
- Zinc die cast, Zinc plated steel

Cover:
- Zinc plated steel

Insulator:
- Non-metallic

Certifications & Compliances:
- cULus
- UL File No. E-19188
- Concrete tight when taped
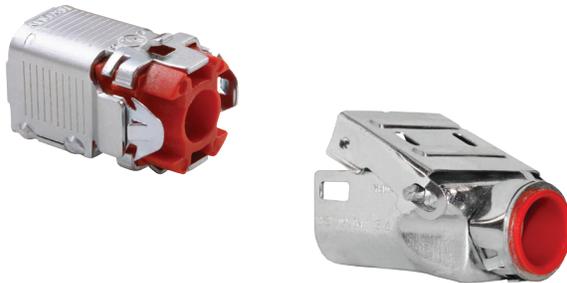

Listed for use with the following cable types:

Cat. #	AC/MC cable	Aluminum MCI-A	Steel MCI-A	MC-PCS
38MCQ	✓	✓	✓	✓
38MCQS	✓	✓	✓	✓
