# **SAVE TIME AND MONEY WITH EVERY PUNCH!**

From the leaders in knockout technology comes the new SPEED PUNCH™ System. The patent pending “no-thread” design eliminates cross-threading, while the innovative SPEED LOCK mechanism quickly secures the punch in place. This means longer tool life and faster punches, saving you time and money on the job. SPEED PUNCH™ is available in 3/4" - 2" conduit sizes and three kit configurations.

**Matched die heights eliminate need for additional spacers:**

*Fewer extra parts to lose on the job site.*

**Rugged, durable grooves hold up on the job:**

*No more thread damage and costly down time.*

**“No-thread” punch design quickly and easily slides on/off draw stud:**

*The fastest punch system on the market today.*

**SPEED LOCK mechanism quickly secures the entire system in place:**

*Punch more holes in less time.*
