HWDK HBL2611 LKG PLUG, 30A 125V, L5
The 30 Amp Twist-Lock Male Plug is an industrial-grade locking device designed for secure and reliable electrical connections. With a 30A 125V rating, this plug is ideal for heavy-duty applications. It features a 2-pole, 3-wire grounding system (L5-30P) and a screw terminal for easy and secure wiring. The Twist-Lock® mechanism ensures a firm connection, preventing accidental disconnections and enhancing safety. The plug comes in a durable black and white design, making it suitable for various industrial en
