| Manufacturer     | Nsi Industries                                                                                                                                                                                                                                                                                |
| Description      | Multi-Tap Connector, #6 Awg Conductor Size, 350 MCM Conductor Size, Insulated, Plastisol Insulation Material, Copper/Aluminum Conductor Material, Black Insulation Color, 4 Conductors, -45 °C Operating Temperature, +90 °C Operating Temperature, 4.57 In Overall Length, 600 V, 0.77 LB/Ea |
| Weight per unit  | 0.7700 (lbs/each)                                                                                                                                                                                                                                                                             |
| Product Category | Large Terminals & Connectors                                                                                                                                                                                                                                                                  |

### Features

|                |               |
|----------------|---------------|
| Poles          | 1             |
| Voltage Rating | 600 V         |
| Warranty       | 1 YEAR        |
| Wire Size      | 350 MCM-6 AWG |
| Wire Type      | Class B & C   |

### Material, Color, and Finish

|                  |                     |
|------------------|---------------------|
| Color            | Black               |
| Finish           | Plastisol Insulated |
| Housing Material | Aluminum            |

### Dimensions and Weight

|      |                             |
|------|-----------------------------|
| Size | L=4.570 - W=2.410 - H=2.610 |
|------|-----------------------------|

### Descriptions

|                        |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                 |

| Description            | 350MCM-#6 4 POLE POLARIS CONNECTOR BLOCK                                                                                                                                                                                                                                                                                                                                                                                                                                                                                        |
| extra long description | NSI IPLD350-4 350 Mcm - 6 Awg Polar                                                                                                                                                                                                                                                                                                                                                                                                                                                                                             |
| Features               | The Polaris IPLD350-4 4-Port Dual-Sided Connector provides the simplest solution for forming a secure connection between up to four conductors in applications including cable trays, panel boards, ducts, raceways or troughs. Sized for 350 MCM - 6 AWG wires and rated for 600V, this pre-insulated connector comes pre-loaded with an oxide inhibitor and installs faster than traditional uninsulated connector options using just a hex key and torque wrench. The aluminum alloy body is wrapped in high-dielectric stre |
