## LESRK400 400A 600V Class RK1 Duel Element Time Delay Fuse

*Edison Fuses*

|                  |                                                                                                                                                                |
|------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Catalog Number   | LESRK400                                                                                                                                                       |
| Manufacturer     | Edison Fuses                                                                                                                                                   |
| Description      | Eaton Edison Lesrk Fuse, Non-Indicating, High In-Rush Current Motor Protection, Electrically Isolated End Caps, 400 A, Class RK1, 200 Kaic, Standard, 1, 600 V |
| Weight per unit  | 3.0 (lbs/each)                                                                                                                                                 |
| Product Category | Dual Element                                                                                                                                                   |

### Features

|                  |                                    |
|------------------|------------------------------------|
| amperage rating  | 400 A                              |
| class            | Class RK1                          |
| dimensions       | 11.6300 IN X 2.3600 IN X 2.3600 IN |
| interrupt rating | 200 kAIC                           |
| media            | Yes                                |
| Voltage Rating   | 600 V                              |

### Descriptions

|                        |                                                                                                                                                                |
|------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Description            | 400A 600V CLASS RK1 DUEL ELEMENT TIME DELAY FUSE                                                                                                               |
| extra long description | EFSE LESRK400 UL CLASS RK1 TIME DEL                                                                                                                            |
| Features               | Edison offers a complete lineup of UL Class RK1 fuses with the LENRK and LESRK dual-element, time-delay fuses along with the NCLR and SCLR fast-acting fuses.  |
| Long Description       | Eaton Edison LESRK fuse, Non-indicating, High in-rush current motor protection, Electrically isolated end caps, 400 A, Class RK1, 200 kAIC, Standard, 1, 600 V |
| Product Type           | UI Class RK1 Time Delay                                                                                                                                        |
| Special Features       | Non-indicating, High in-rush current motor protection                                                                                                          |

### Manufacturer Information

|                           |                |
|---------------------------|----------------|
| Brand                     | EDISON         |
| GTIN                      | 00782634548553 |
| Manufacturers Part Number | LESRK400       |
| UPC                       | 782634548553   |

### Taxonomies, Classifications, and Categories

|                      |                          |
|----------------------|--------------------------|
| Category Description | Fuses & Fuse Accessories |
| Type                 | FUSE                     |

### Packaging

|                 |   |
|-----------------|---|
| Carton          | 1 |
| Weight Per each | 3 |
