## MDL5 5A 250V TD Glass Fuse

*Bussmann Fuses*

|                  |                                     |
|------------------|-------------------------------------|
| Catalog Number   | MDL5                                |
| Manufacturer     | Bussmann Fuses                      |
| Description      | Buss MDL-5 1/4 X 1-1/4 Time Delay G |
| Weight per unit  | 0.0060 (lbs/each)                   |
| Product Category | Tools & Testers                     |

### Features

|                    |                                                                     |
|--------------------|---------------------------------------------------------------------|
| amperage rating    | 5 Amp                                                               |
| connection         | Ferrule End X Ferrule End                                           |
| Response Time      | 60 Min Maximum at 135%, 12 S Minimum at 200%, 120 S Maximum at 200% |
| type of indicators | Non-Indicating                                                      |
| Voltage Rating     | 250 VAC                                                             |

### Dimensions and Weight

|      |                                   |
|------|-----------------------------------|
| Size | 1/4 In Diameter X 1-1/4 In Length |
|------|-----------------------------------|

### Descriptions

|                  |                                                                                                            |
|------------------|------------------------------------------------------------------------------------------------------------|
| Description      | 5A 250V TD GLASS FUSE                                                                                      |
| Long Description | BUSS MDL-5 1/4 X 1-1/4 TIME DELAY G                                                                        |
| Product Type     | 1/4 X 1-1/4 Time Delay Glass - 5 Amp                                                                       |
| Special Features | Interrupt Rating 200 Amp at 250 Vac, 10000 Amp at 125 Vac, Material Glass Tube, Nickel Plated Brass Endcap |

### Manufacturer Information

|                           |                               |
|---------------------------|-------------------------------|
| Brand                     | Cooper Bussmann North America |
| GTIN                      | 00051712724548                |
| Manufacturers Part Number | MDL-5                         |
| UPC                       | 051712724548                  |

### Taxonomies, Classifications, and Categories

|                      |                           |
|----------------------|---------------------------|
| Category Description | GLASS FUSES (and ceramic) |
| Type                 | Electronic, Time Delay    |

### Availability

|                     |          |
|---------------------|----------|
| Manufacturer Status | Inactive |
| Status              | Inactive |

### Packaging

|                 |       |
|-----------------|-------|
| Carton          | 5     |
| Weight Per each | 0.006 |
