| Product Category | Large Terminals & Connectors                                                                                                                                                                                                                                                                                                                      |

### **Features**

|                      |                 |
|----------------------|-----------------|
| Number of Conductors | 2               |
| Poles                | 1               |
| Voltage Rating       | 600 V           |
| Warranty             | 1 YEAR          |
| Wire Size            | 6 SOL - 1/0 STR |
| Wire Type            | Class A & B     |

### **Material, Color, and Finish**

|                  |                   |
|------------------|-------------------|
| Color            | Tin Plated Copper |
| Finish           | Tin Plated Copper |
| Housing Material | Tin Plated Copper |

### **Dimensions and Weight**

|      |                  |
|------|------------------|
| Size | L=1.417 - W=.787 |
|------|------------------|
