

On-Q
66 Block and Bracket
Part No. PS665089V

The 66 Block and Bracket is a 50-pair, unwired block designed for efficient and organized telephone and data wiring. This versatile block comes with a mounting bracket, making it easy to install and secure in your structured wiring setup.

Features & Benefits

66 Block and Bracket

Specifications

General Info

Product Line	On-Q	UPC Number	785007042320
Country Of Origin	Taiwan, Province Of China	Application Sector	Residential
Standard	RoHS		

Dimensions

Product Width US	3.75 in	Product Height US	3.66 in
Product Length US	11.25 in		

Additional Information

RoHS Compliant	Yes
----------------	-----

Technical Information

Compatibility	Universal	Cable Specification	66 Block
---------------	-----------	---------------------	----------
