| Description | DIY PKGD 2" HUB |
| extra long description | ETN RH200P DIY PKGD 2" HUB |
| Features | Specially designed for easy installation, Eaton's BR 1-inch load centers house the branch circuit breakers and the wiring required to distribute power to individual circuits. They serve as main breaker for service entrances or as main lug when adding circuits to existing service. The main breaker protects the entire panel and can be used as a service disconnect. The branch breakers protect the wires leading to individual electrical loads such as fixtures and outlets. |
| Long Description | Eaton BR 1-inch Loadcenter Rainproof Hub,Suitable for PRL4 fusible panelboards,Rainproof hub,BR,Conduit size: 2 in,PI0724r and s3100rn |
