Descriptions

Description	3X3 NM INTERMEDIATE SPACER
extra long description	ABB S289LLN 3 INCH X 3 INCH INTERME
Long Description	3 x 3 Inches Duct Spacer, High Impact Polystyrene Snap-Loc Intermediate Spacer For Use With Nonmetallic Ducts
Product Type	3 Inch X 3 Inch Intermediate Spacer
Special Features	Side dovetail rail and groove design allows for side by side interchangeability of conduit spacer sizes while maintaining horizontal stability. Locking keyways incorporated into intermediate spacers eliminate the need for costly top spacers in each size. They provide for the use of a beaded strap that helps secure the top section of conduit. 1 and 2 inches Snap Loc reducers allow fixturing of 1 or 2 inches conduit inside larger spacers. The Snap Loc rebar holder helps provide stabilization on large banks o
